God's Chosen Women, Inc

You Are a Chosen Generation 2Peter2:9

God's Chosen Women is an organization designed by God to minister to the Spiritual and natural needs of God's women.

Our Commitment

Daily: Seeking His Face, Pursuing Him With Passion, and Growing in Knowledge of Him.

Vision

We are chosen women of God with a passion for God according to knowledge. It is our desire to show others how to develop intimate relationship with God through Jesus Christ.

Mission

Our mission is to help women develop knowledge of God through Jesus Christ so that we can be who God created us to be and so that we can do the work that God has placed us here to do.

Objectives

- Conferences designed to meet the specific needs of today's Christian woman.
- Workshops that teach Spiritual principles applied to natural situations that equip us with knowledge.
- Group Mentoring sessions that allow us to learn from one another.
- Written study guides and devotionals to aide in Spiritual growth and development.

We are in the application process for obtaining 501c3 IRS non-profit status.
